Montessori Updates!

Greetings Parents,

Thank you so much for your trust in Burhani Montessori to provide a safe, nurtured, and enriched environment for your children to thrive. We have had an exciting fall semester and thought we would share highlights from the last few months.

COVID Protocols

We wanted to ensure you of the steps our Montessori is taking in ensuring your child's safety in this time of COVID, especially with the new strands that continues to spread. Please refer to the Burhani Montessori website for a full overview of all the steps we are taking to ensure your child's safety.

New Classroom Themes:

Toddler. Safari Adventures

As the new school year started, we wanted to revive our classroom environments with a new look! Each class has its own new theme! Here are a few glimpses into each classroom.

Primary. Imagination of Color

1st Grade. Busy Bees in the Hive

2021 Highlights!

IXL Learning

Language & Math Assessments.

This year beginning in the first grade, we have been ensuring our student's academic progress by assessing our students through the IXL program. This assessment measures the skills each student has learned through the course of the year. We will be periodically assessing them to ensure they are meeting and/or exceeding the grade-level standards for education. We are happy to note that all students have been meeting and exceeding academic progress for the 1st grade. Some of our students are well into the 2nd grade level for Language and Math!

Milad Picnic.

In celebration of our Dai al-Mutlaq's Milad, Burhani Montessori hosted a picnic in the park. Coincidentally this also happened to be Thanksgiving! So we were able to blend our celebrations!

School Safety

As in all schools, the Burhani Montessori practices safety protocols in case of an emergency. Our students are learning the importance of knowing what to do in emergency situations. We conducted a fire safety drill this winter.

BURHANI BROADCASTS

1st Grade Updates.

From understanding plant cycles, to baking pies, from getting fit, to discovering the animal kingdom our 1st graders are blooming with curiosity! Their day is filled with a robust schedule starting with Tilawat-ud Dua and ends with crafting. Their amazing teacher Fatema bhen even managed to squeeze in two cool field-trips, in the fall the young ones went to the farm to learn about plants and had fun with the Fall Harvest festivals, and in the winter the students enjoyed heading to the Houston Zoo!

Primary/Toddler Classes Highlights.

Our Young learners are eager to share their colors, the letters, and their numbers! Their days are filled with group activities and learning about their letters through show and tell! They take hifz classes in the library everyday. They are learning and preparing for reading and writing! Through the Montessori techniques are introduced to addition, subtraction, and even multiplication!
